

Walking

- 40 minutes (3km) from the Palacio de la Magdalena
- 30 minutes approx. from both hotels (2.5Km).

It is recommended to walk along the coast, as depicted, for two reasons: the panoramic view over the bay is breathtaking. The way through the streets will take your breath away too, but for other reasons, since Santander is very hilly.

Public transport

Take the public bus (light blue) in Plaza de Italia or along the Reina Victoria avenue (see map markings for bus stops as red triangles) Several buses lines go along the Avenue of Reina Victoria direction the city center (bus numbers 1,2,3 and 7). You need to leave At the stop labeled "Paseo de Pereda". Once there just cross the avenue direction the dock and you will see "Los Reginas" Dock. The trip by bus will take about 7 minutes, frequency of all four lines combined is about 4 minutes. Price single ride: 1,10€.
